TRUCK SERVICE - We are able to offer service within a radius of 100 to 2,000 miles from Semmes. Charges average less than railroad rates with delivery at your door. If interested, write for further information.

CAUTION - We accept all orders subject to crop conditions and on conditions that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All orders are accepted without liability for non-performance if labor shortages or delay in transportation should prevent us making delivery.

GUARANTEE OF GENUINENESS - If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness on proper proof, to replace such nursery stock that may prove untrue to description or name. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS - for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have been once accepted or when report is not made within TEN DAYS after arrival of stock. We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.
